**RESPONSE TO NOTICE OF NON-RESPONSIVE SUBMISSION/
AMENDMENT**

Sir:

Responsive to the Patent Office communication of June 23, 2005, advising Applicant that a reply filed on June 6, 2005 was not fully responsive to the prior Office Action, and in accordance with a subsequent telephone conversation with Examiner Salata, it is believed that correct association was not made by the Patent and Trademark Office between Applicant's reply of June 6, 2005 and the referenced, earlier-filed Amendment of May 16, 2005 that was deemed to be not fully responsive. Accordingly, Applicant hereby submits a full and complete replacement Amendment, fully responsive to the issues raised by the Examiner in the original Office Action.
